Exiting and Reentering the Garage at 4250 Fairfax Dr.

Once you have parked you can take the stairwell or the elevator (marked shuttle elevator) to the lobby of the building to access the street. You can exit the lobby anytime but you may only enter the lobby until 7pm. After 7pm use the entrance ramp to enter the garage.

If you use the stairwell, go through the access door with the ramp, walk down the short hallway and enter the stairwell on your left. When you have reached Floor 1 exit through the silver door marked “OPEN SLOWLY” to enter the lobby.

When you are going back to your vehicle from the lobby the elevators and stairwell are both centrally located in this part of the lobby. The stairwell door is marked “STAIR A.”
